MAY 2018

A YEAR IN REVIEW

As our year comes to a close, it is important to celebrate all the great events and accomplishments made by staff and students throughout the school year. Here are just a few things that stood out in sports during the spring season:

Softball:

Varsity softball has had one of the best seasons at MKU this year! The girls worked hard and were able to make it to playoffs. Great job team!

Track & Field:

Our track team is currently competing to place in multiple events at the VAC finals. Emely V. (8th grader) has been in the top 8 for the 1600m during the season. Andy D. (8th grader) also is placing in the top 4 in VAC for both the 100m and 400m. David R. (8th grade) continues to place in the top 8 for the 800m. Our boys 4x400m relay is battling for 1st place in VAC finals.

DATES TO REMEMBER
