Mario Ventura, Ed.D.
Superintendent

September 8, 2017:

Dear Parent/Guardian:

Our goal in the Isaac School District is to provide each student with opportunities to learn and to prepare academically and socially for high school and beyond.

Isaac School District students follow the District curriculum and their progress is measured based on Board policy and District procedures.

The Progress Report will look a bit different than what you are used to seeing. Please review the report and contact your child's teacher or the school with any questions. Students in Kindergarten through Second Grade will receive scores of 1-4 with 4 being the highest score:

K-2:

Grade Legend	
4	90-100
3	80-89
2	70-79
1	Below 70

Students in Third Grade through Eighth Grade will receive progress reports scores using the traditional A – F model:

3-8:

Grade Legend	
A	90-100
B	80-89
C	70-79
D	60-69
F	Below 60

Graduating from Eighth Grade is hard work. However, we believe that your student is capable of meeting high expectations. By working together, we can support your child in meeting those high expectations.

If you have any questions or concerns about your students' progress, please contact their teacher at your earliest convenience.

Sincerely,

 Erica Avila H., Ed.D., NCS

Erica Avila H., Ed.D.

Assistant Superintendent of Teaching & Learning
