

# 21<sup>ST</sup> CENTURY After School Program

The P.T. Coe Elementary After School Program, which is known as "21<sup>st</sup> Century After School Program," is a wonderful opportunity for students who are struggling academically. After a quick snack and recess, program participants will meet with their teachers for some individualized homework help. Students may also be involved in a large group learning activity. 21st Century students celebrate learning by going on field trips, hosting guest speakers, or just doing fun learning activities here at P.T. Coe. 21st Century is held Monday–Friday from 3:15–5:00 p.m.
